1. As a prospective UCSD student, I want to know where various locations on campus are located so that I can get around quickly and easily.
2. As a prospective UCSD student, I want a way to tour around campus at my discretion so that I can avoid having to plan my schedule around the campus tours' schedule.
3. As a prospective UCSD student, I want to know what the best places on campus are so that I know what places to prioritize when touring the campus.
4. As a prospective UCSD student, I want to know what places are most relevant to me so that I can visit those places in my spare time.
5. As a prospective UCSD student, I want to be able to save tours that I enjoyed so that I can retour the places with different groups of friends.
6. As a prospective UCSD student, I want to go on a tour at my own pace so that I can spend more time at places that interest me and less time at places that don't.
7. As a prospective UCSD student, I want to avoid the discomfort of being inside a large tour group so that I can more easily express myself.
8. As a prospective UCSD student, I want to avoid random trivia so that I can learn more about the facets of the school I care about.
9. As a new UCSD student, I want information about the different subjects that are taught in various lecture halls on campus.
10. As a new UCSD student, I want to learn more about the specific college that was recently admitted into.
11. As a UCSD student, I want to learn more about various facilities on campus relating to fitness.
12. As a parent of a prospective UCSD student, I want information about college life so that I know where I am sending my child.
13. As a parent of a prospective UCSD student, I want access to a tour app so that I can get a good view of the campus without a strenuous and exhausting tour.
14. As a UCSD student, I want an easy way to explore campus so that I can give a quick tour of UCSD when my friends and family visit.

15. As a UCSD student, I want to learn more about the parts of campus that I don't have class in so that when I do have class in that particular area, I won't be as confused and lost.
16. As a UCSD administrator, I want a tour app so that I do not need to divert resources to paying and training tour guides.
17. As a UCSD administrator, I want a tour app so that prospective students and their families can tour campus on dates and times that work best with their schedule.
18. As a user, I want to know what the weather and temperature is so that I can prepare for it while I am going on a tour without having to Google it.
